

Dear Valued Property Owner,

Hello & thank you for taking the time to learn about what we offer.

My boutique firm is a group of talented Designers, Landscape Architects, Project Managers and problem solvers that have the ability to conceptualize and create solutions by listening to the needs and wants of the property owner and transforming those ideas by implementing functional beautiful solutions.

Our services include:

DESIGN	BUILD	FURNISH
conceptual drawing, exterior layouts	zen gardens, parterre and rose gardens, foundation plantings, green walls and roofs	outdoor fireplaces & fire pits, fire tables
landscape planting and masonry specifications	evergreen screening, fencing, gates arbors	sculptures & pieces of interest
grading, drainage & lighting plans	entry piers, automated gates and inlays	decorative pots/arrangements
permit expediting	decks, patios, and terraces	outdoor lighting
homeowner representation	retaining and seat walls	outdoor furnishings: benches, seats, dining tables, chaise lounge
bid leveling	deer & pest management	herb, vegetable, cutting gardens
construction drawings: grading, drainage, lighting, details	pergolas, decks, cabanas and showers, pool, spa, ponds/water features & outdoor kitchens	garden elements
site planning (siting the home, garage, driveway, walks, pools, tennis courts, outdoor kitchens, sport courts, etc.)	onsite coordination, construction administration and consultation of home renovations and new construction	seasonal décor including fall and holiday lighting

We know the codes of the local municipalities from Nassau County to the Hamptons, we know when to challenge through the variance process and we can present to the boards to get you approved.

Q Design Group takes seriously our discerning clients and their budgets. We can help our Property Owners understand the specifics of the landscape design + build process to get the best value for their project.

Please feel free to call me directly as landscape design encompasses a large spectrum of design work. I will be sure to put you into the best relationship my firm can offer.

I hope to hear from you soon,

Sincerely,

Vincent Quatararo, cmlp
